FRUIT POWDERS

Amla Powder

Nature's superfood for health & vitality

Made from sun-ripened Indian gooseberries (amla), dried and finely milled. Amla is a natural source of vitamin C and antioxidants and has been part of Indian kitchens and Ayurvedic tradition for centuries. Its tangy taste blends easily into everyday drinks and food.

KEY FEATURES

- Natural source of vitamin C
- Rich in antioxidants
- Traditionally used for hair and skin care routines
- No added sugar or artificial colours

HOW TO USE

Mix 1 tsp in warm water, juice or smoothies. Can also be added to chutneys or used in hair packs.

FRUIT POWDERS

Apple Powder

Nature's goodness in every scoop

Fresh apples, dried and ground into a smooth, mildly sweet powder. A simple way to add the taste and natural fibre of apple to the daily diet, without the need to peel or cut fresh fruit.

KEY FEATURES

- Natural source of dietary fibre
- Mild, naturally sweet fruit taste
- Easy to mix in milk, shakes and baking
- Suitable for all age groups

HOW TO USE

Add 1-2 tsp to milk, smoothies, oats, yoghurt or baking batters.

FRUIT POWDERS

Banana Powder

Nature's nutrition for energy & wellness

Ripe bananas, dried and milled into a fine, naturally sweet powder. Banana is a natural source of potassium and carbohydrates, which makes this powder a convenient everyday energy ingredient for families, students and active people.

KEY FEATURES

- Natural source of potassium and fibre
- Natural carbohydrates for energy
- Naturally sweet, no added sugar
- Great for shakes, porridge and baby-food recipes

HOW TO USE

Mix 1-2 tsp in milk, shakes, porridge or pancake batter.

FRUIT POWDERS

Orange Powder

Nature's refreshing boost of vitamin C & antioxidants

Made from dried oranges, this powder brings the fresh, tangy taste of citrus to any recipe. A natural source of vitamin C, it works well in drinks, desserts and also in homemade face packs.

KEY FEATURES

- Natural source of vitamin C
- Fresh citrus taste and aroma
- Use in drinks, baking and face packs
- No artificial flavour or colour

HOW TO USE

Mix 1-2 tsp in water or juice, add to cakes and desserts, or mix with curd for a face pack.

VEGETABLE POWDERS

Beetroot Powder

Nature's nutrition for energy & wellness

Fresh beetroot, dried and finely ground into a deep-red powder. Beetroot is naturally rich in iron, folate and antioxidants, and its bright colour makes it a natural colouring for drinks, rotis, dips and desserts.

KEY FEATURES

- Natural source of iron and folate
- Rich in natural antioxidants
- Natural red colour for food
- No artificial colours or preservatives

HOW TO USE

Mix 1 tsp in water, juice or smoothies, or use as natural colour in dough, dips and sweets.

VEGETABLE POWDERS

Red Onion Powder

Nature's boost for strong hair & immunity

Red onions, dried and ground into a fine powder. It gives the full taste of onion to gravies, soups and snacks without peeling and chopping, and is also popular in traditional homemade hair-care packs.

KEY FEATURES

- Full onion taste, no chopping
- Long shelf life, easy to store
- Used in traditional hair-care packs
- No preservatives

HOW TO USE

Use 1/2-1 tsp in gravies, soups, marinades and snacks. For hair, mix with water or oil as a pack.
